Delegation of Authority--To Approve Settlements of Claims and Separation Agreements With a Value of $100,000 or Less and Voluntary Separation Program Agreements of Less Than $50,000

The Policy on Settlement of Litigation, Claims and Separation Agreements authorizes the President to approve claims and separation agreements with a value of $500,000 or less. As used in the Policy, a “claim” is a disputed demand for payment from an entity or individual (including employees) made other than through litigation (litigation is defined as legal proceedings in the form of a lawsuit, arbitration proceeding, or internal or external administrative proceeding; settlements involving litigation must go through the General Counsel). A “separation agreement” is an agreement with an employee by which the employee separates from University employment, but which does not involve a claim or litigation. Commercial negotiations to adjust amounts payable under a contract shall not be treated as claims.

With the exception of separation agreements reached through Local Voluntary Separation Programs, you are authorized to approve settlements of non-litigated claims and separation agreements for matters under your respective jurisdictions, when the consideration paid or received is $100,000 or less. Litigated settlements must be reviewed and approved by the Office of General Counsel. Per the Implementation Guidelines for Local Voluntary Separation Programs (VSP), individual VSP severance payments cannot exceed $75,000 and any individual payment of $50,000 to $75,000 must be approved by the President (see DA 2188, April 3, 2009 and the VSP Guidelines at http://www.ucop.edu/ucophome/coordrev/da/da2218guidelines.pdf).

All settlements of litigation and claims and separation agreements for Officers of the University or Officers of The Regents will require approval by The Regents, as will any litigated settlements or separation agreements that involve significant questions of University policy.

A report of settlements and separation agreements involving consideration of $50,000 or more must be transmitted to the General Counsel through your campus counsel for required reporting to The Regents.

This letter replaces Delegation of Authority 2144* 2214 issued on December 12, 2008.
