Effective immediately, as Vice Chancellor for Research and pursuant to the authority delegated to me by the Chancellor in UC Merced Delegation of Authority 118 (UCM DA 118), I delegate the following authority to you:

- Authority to solicit and accept or execute certain extramural state and federal contracts and grants and subawards from higher education institutions or a State of California agency, up to \$10,000,000 in annual direct costs, and all others up to \$5,000,000 in annual direct costs.
- Source of authority: Presidential DA 2569

Exercise of this authority is subject to the restrictions, exceptions and instructions outlined in UC DA 2569 and all other University and Merced Campus policies and procedures.

Procedures for preparation of proposals for extramural support and acceptance of grants or execution of contracts shall be in accordance with the University of California Contract and Grant Manual and with supplementary instructions as may be issued by the Office of the President.

This authority may be further re-delegated as appropriate.

Sincerely,
